6909005000052

- pinna H = 32,00 mm coestrusa
- coextruded fin H = 32,00 mm
- aileron H = 32,00 mm coextrudé
- aleta H = 32,00 mm coextrusionada

L = 2 m - 2,5 m

6909005000053

- pinna H = 40,00 mm coestrusa
- coextruded fin H = 40,00 mm
- aileron H = 40,00 mm coextrudé
- aleta H = 40,00 mm coextrusionada

L = 2 m - 2,5 m

6909005000054

- guarnizione per obló in lexan battente spessore 40 mm
- lexan porthole gasket for 40 mm door blade thick
- joint pour hublot en lexan vantail ep. 40 mm
- guarnicion ventanilla en lexan para batiente esp. 40 mm

L = 25 m (rotolo)

CT11031

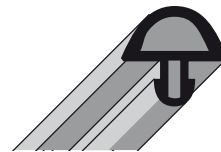

- per obló in lexan battente spessore 15 mm
- lexan porthole gasket for 15 mm door blade thick
- joint pour hublot en lexan vantail ep. 15 mm
- guarnicion ventanilla en lexan para batiente esp. 15 mm

TMP000003

- guarnizione perimetrale
- perimetral gasket
- joint d'étancheite perimetral
- junta hermetica perimetral

L = Rotolo 125 m

6909005000015

- guarnizione perimetrale per ATC
- perimetric gasket for ATC
- joint périmètre pour ATC
- sello de perímetro para ATC

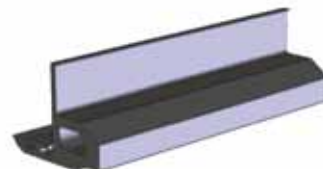

L = 25 m (rotolo)

6909005000060

- guarnizione inferiore per ATC
- bottom gasket for ATC
- joint de fond pour ATC
- sello inferior para ATC

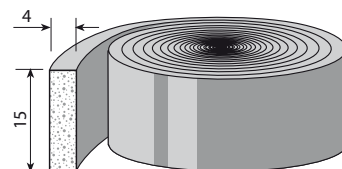

L = 50 m (rotolo)

MAC0000300

- mousse adesiva 15 x 4 per AC
- foam gasket for CA
- bourrelet mousse pour AC
- empaque espuma para AC

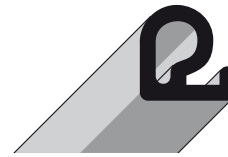

L = 25 m (rotolo)

ISE000006

- perimetrale a fissaggio
- eaf-door perimetral gasket
- joint d'étancheite périmétral vantail
- junta perimetral para batiente

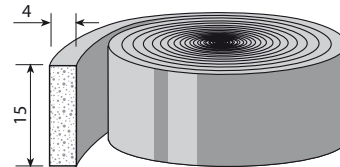

L = 50 m (rotolo)

6909005000027

- per interruzione ponte termico lamiera battente
- thermal bridge interruption blade steel sheet
- brise pont thermique tole vantail
- interrupcion puente termico chapa oja

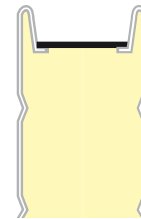

L = 25 m (rotolo)

GUARNIZIONI IN GOMMA ADESIVIZZATA PER PANNELLI IN CONTINUO
rubber gasket adhesive for panels in continuous
joints en caoutchouc adhésif pour panneaux en continu
burlete de goma adhesiva para paneles en continuo

MAC000006

- profilo antracite 52 x 5 mm per pannelli in continuo
- gasket 52 x 5 mm for continuos panels
- joint 52 x 5 mm pour panneaux en continu
- junta 52 x 5 mm para paneles en continuo

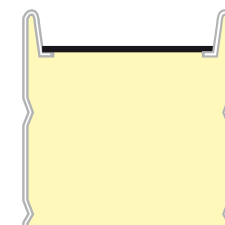

MAC000002

- profilo antracite 72 x 5 mm per pannelli in continuo
- gasket 72 x 5 mm for continuos panels
- joint 72 x 5 mm pour panneaux en continu
- junta 72 x 5 mm para paneles en continuo

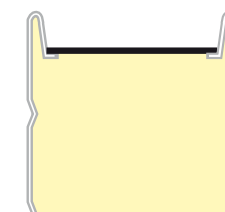

MAC000001

- profilo antracite 102 x 5 mm per pannelli in continuo
- gasket 102 x 5 mm for continuos panels
- joint 102 x 5 mm pour panneaux en continu
- junta 102 x 5 mm para paneles en continuo

MAC000003

- profilo antracite 152 x 5 mm per pannelli in continuo
- gasket 152 x 5 mm for continuos panels
- joint 152 x 5 mm pour panneaux en continu
- junta 152 x 5 mm para paneles en continuo
